PRIVATE SWIMMING LESSON

Please circle the type of swimming lessons your child will need

Parent/Child:

This class is designed for parents and their child. Guided by an instructor, the parent will act as their child's teacher. In this class the child will learn to become more comfortable in the water.

Learn to Swim:

This class is designed for children who can follow instructions and are ready to swim without their parent.

Stroke Development:

This class is designed for children who can adequately swim front crawl but need work on perfecting their stroke. There will also be an opportunity to learn new strokes.

Please circle the session you would like to attend. Classes are held at your convenience and the convenience of the instructor. Please see an instructor to enroll in private lessons.
